3 Third-party ratings are as of June 22, 2022. The financial strength and ratings do not apply to any investment products, because investment products are subject to market risk and will fluctuate in value.

4 The Comdex ranking is the average percentile of a company's rating that this company has received. The composite ranking is based on a scale of 1 to 100, in relation to other companies that have been rated by the services. A company needs to be rated by at least two rating services to receive a Comdex ranking.

5 New York Life Investments is a service mark used by New York Life Investment Management Holdings LLC and its subsidiary New York Life Investment Management LLC.
