

# My Public Service Loan Forgiveness Checklist

**Confirm that you and your employer qualify.** Check with your employer or view the official **FAQs**.

**Use Fidelity's Student Debt Tool to assess your loans.** You need a Federal Direct Loan to qualify for Public Service Loan Forgiveness.

Use the tool also to determine a **qualifying repayment plan**.

**Enroll in a qualifying repayment plan** (such as REPAYE). Stay current with your payments!

**Submit the required certification** form signed by your employer. Then make it a habit to submit it 1 – 2 x per year.

**Say goodbye** to your student loan debt forever.
